We invite you to submit an abstract for the 12th Annual Southwest Florida Water & Wastewater Exposition focused on the challenges and solutions of the water and wastewater marketplace in Southwest Florida. This Exposition will bring together suppliers, managers, operators, scientists and engineers to learn and discuss key issues on various topics in our industry. Presentations are sought that focus on the following areas:

- | | |
|----------------------------|---|
| Biosolids | Reclaimed Water/Reuse |
| Integrated Water Resources | Energy Efficiency and Optimization |
| Facility Operations | Stormwater |
| Potable Water Treatment | Watershed Management |
| Wastewater Treatment | NNC, TMDLs & BMPs |
| Asset Management | Wastewater Collection & Conveyance System |
| Potable Water Distribution | Rules and Regulations |
| Design-Build | Resiliency |

Abstracts should not exceed 300 words and must be submitted no later than May 10, 2019. Authors will be notified by email regarding acceptance of their presentation no later than June 7, 2019. Submit abstract via email to Cherie.Wolter@aecom.com

Note: Topics which are primarily intended to impart knowledge of specific products of specific companies will not be considered. Should your submittal be selected, you, the individual, are responsible for transportation and all costs associated with your presentation at this event. The host organizations reserve the right to refuse any submittal based on subject or content.
