

COLLECTION SYSTEMS COMMITTEE

Call for Abstracts!

FWEA CSC is currently collecting presentation ideas for the following events:

- Fall Webinar Series - October 2024 (1st & 2nd week)
- In-person Spring Seminar 2025 - Jacksonville FL (Feb 2025)

When submitting your abstract, please indicate for which event you are submitting (or both).

Presentation topics focus on elements and processes of collection systems, including but not limited to:

- O&M
- CMOM
- I/I Reduction
- Odor Control
- Smart Sewers
- Septic to Sewer
- Asset Management
- Rehabilitation: forcemains, lift stations, conveyance lines, structures, etc

And any other topics relating to collection systems!

Please complete the attached Presenter Biography form along with a summary of your presentation to be considered.

Send to:

Nicole Little
CSC Vice Chair
nicole@bdlc.net

Deadline: July 30, 2024

Get involved with the FWEA
Collection Systems Committee!
