

# 2026 FWEA Air Quality Committee Seminar Agenda

## Turning Stinks into Solutions: A Comprehensive Guide to Odor Control

8:00 - 8:45 am	<b>Registration</b>
8:45 - 9:00 am	<b>Opening Remarks</b> Danielle Arney, Committee Chairwoman, Xylem
9:00 - 9:30 am	<b>Field Sampling and Monitoring 101</b> Ryan McKenna, P.E., Hazen & Sawyer
9:30 - 10:00 am	<b>Capture, Contact, Chemistry – Vapor Phase Odor Control Operation</b> Vaughan Harshman, P.E., V&A Consulting Engineers, Inc.
10:00 - 10:30 am	Networking Break
10:30 - 11:00 am	<b>Chemical Addition for Odor Control</b> Sean Trainor, P.Eng., C.Eng., Xylem
11:00 - 11:30 am	<b>Using Biology to Fight Odors: Biological Odor Control Systems</b> Ryan Keefe P.E., CDM Smith
11:30 - 12:00 pm	<b>Apply your Knowledge Workshop: Case Study Discussion</b>
12:00 - 1:00 pm	Lunch
1:00 - 1:30 pm	<b>Odor and Ventilation Modeling Solutions and Case Studies</b> David Agee P.E., Stantec
1:30 - 2:00 pm	<b>Assessing Efficacy and Process Impacts of Odor Control Approaches Using Process Modeling</b> Ulrich Bazemo, P.E., Black & Veatch
2:00 - 2:30 pm	Networking Break
2:30 - 3:00 pm	<b>What's WATS? Sewer Process Modeling for Odor and Corrosion Optimization</b> Samantha Nehme, P.E., Sarasota County
3:00 - 3:30 pm	<b>Manatee County's Comprehensive Approach to Odor Control</b> Erik Gibson, Manatee County
3:30 - 4:00 pm	<b>Apply your Knowledge Workshop: Case Study Implementation</b>
4:00 pm	<b>Sign out for CEUs and PDHs, Adjourn</b>
